DETAILED ACTION

Allowable Subject Matter

Claims 1-15 have been allowed.

The following is an examiner's statement of reasons for allowance: No prior art has been found to meet the limitation of claims 1-15 calling for a method for implementing backside probing of a semiconductor device comprising, masking edges of identified defect area of semiconductor device and etching unmasked semiconductor material within the semiconductor device from initial depth to reach active device for electrically probing, as further defined at claims 1 and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
